

Investing for Success

Under this agreement for 2017 Pullenvale Environmental Education Centre will receive **\$5000.00***

This funding will be used to

- Develop explicit learning goals for all centre scripts and programs
- Assess the effectiveness of the Learning Goals in focusing student learning
- Improve teacher expertise in translating data collected before, during and after visits to deepen appropriation of student learning.

Our initiatives include

- Release a PEEC teacher to coordinate the Assessment Process and develop draft Learning Goals.
- Release other PEEC teachers to work with the Assessment and Data Coordinator
- Employ and train extra specialist teachers to replace the PEEC teachers
- Employ an AO2 for extra hours to support the Assessment and Data coordinator

Our school will improve student outcomes by

Employ and train extra specialist teachers	\$ 3500
Employ extra AO2 to support Coordinator	\$ 1000
PD for teachers in Assessment/data coding	\$ 500
